PAESTUM

Tempio di Nettuno e la Basilica
Temple de Neptune et la Basilique
Temple of Neptune and the Basilica
Neptun - Tempel und die Basilika

Dear Helen & Elmer,
Thought you'd like to see
another spot we visited over
the same weekend we went along
the Amalfi Coast. This Greek
temple along with two others
there at Paestum are the
best preserved of Greek buildings
anywhere in the Mediterranean.
We got to climb up inside
them and contemplate on the
glory that was Greece!
